Dear Sir:

I write to enquire if some of your members might like to acquire a very fine specimen of the "gold ½ Stater of Cyrene" B.C. 481-321."

To a collector of greek series this coin would be a fine addition to any collection or for a museum.

I prefer to have a U.S. collector obtain it rather than ship to London - England.

There is no one in minneapolis willing to pay the price for such a rare and fine coin and it is quite too valuable for my own collection merely as an isolated specimen or Type.

Postage for reply which I shall thank you for.

Yours truly

Robert E. Fisher

Dear Sir:

Responding to yours of the 20th, can you send me a wax impression of the piece you describe, together with information as to where it was secured and of the value at which you hold it. On receipt of your reply, I can write you more definitely than is at present possible.

Very truly yours,

Dear Sir::

Your letter Jan 23 rd. I am taking the liberty of sending you herwith the 1/2 Stater gold of Cyrene as you can much better appreciate the fine condition of the coin than from a wax impression .

This coin was secured by me from a jeweler who bought it among other heirlooms which the jeweler had bought from an old lady whose father had secured it some where in North Africa in the early 1800 s.

Spink and Son of London have seen the coin and wish to buy it and I have another offer of £20 (pounds sterling) from an European collector, which would be $97.50 US money and I would be satisfied to have such an amount or as much more as could reasonably be obtainable on this side rather than send it out of the country.

I am sending it registered and enclose 17 cents postage and registratim fee for its return subject of course to its purchase.

Thanking you for your kind interest, I am,

Yours truly,

Robert E. Fisher

Dear Sir:

Your letter of the 25th together with the gold half-stater of Cyrene have come duly to hand. I note that you have had an offer of £20 for the piece, and this is approximately what it is worth. I have shown it to a collector here, and he authorizes me to say that he would be willing to send you a cheque for $100 for the coin. I doubt very much that you would obtain a higher offer either here or abroad. If you decide to accept this amount and will let me know, a cheque can then be sent you.

Awaiting your reply, I am

Very truly yours,

Secretary

Mr Secretary Phoe Secty
Am Numismatic Society.
New York NY

Dear Sir:

Would you kindly advise me the requirements for membership in the American Numismatic association are, cost, and also what are some of the benefits.

Do you have members in Minneapolis and St Paul Minnesota?

Perhaps by becoming a member and meeting with them I may be of use in arousing more interest in numismatics locally - something rather lacking. Thanking you I am,

Yours Truly
Robert E Fisher

Dear Sir:

Responding to yours of April 8th: I take pleasure in enclosing a folder of the objects of our Society- not, however, the American Numismatic Association . I also enclose a list of our monographs, that you may see something of our publications which are sent as a return for the annual dues of $ 5.00

The only one of our members living in Minneapolis I think, is Mrs . Elbert L. Carpenter.

I believe there is a collection of coins and medals, in St.Paul Institute, and would suggest you getting in touch with the curator, there.

I am enclosing an application card. If you care to consider this invitation to become a member, favorably, Itwill give me great pleasure to present your name at the next meeting of our Council.

Very truly yours,

Secretary.

Dear Sir:

Responding to your letter of March 21, I take pleasure in sending you under separate cover, Monograph 35, which you did not receive in 1928. I am also enclosing your receipted bill, and thank you for your check per dues for the current year.

Mr. Bellinger's article is a path-breaking one, and we are hoping that it will help by increasing interest in the sadly neglected field of Byzantine Numismatics.

Secretary

Dear Mr. Fisher:

May I ask you to look up your records to verify if we are correct in thinking we have not received your dues as associate member of this Society for 1930 or 1931. If you find we are correct, please let me know, as we should not like to lose your support for our museum. Our rules are very definite and I am obliged to call the matter to your attention. With assurance that we appreciate your support in the past, I beg to subscribe myself

Dear Mr. Noe:

You are correct in thinking that you have not received 1930 or 1931 dues from me. I am very sorry that conditions are such that it is necessary to make many changes in my way of living and while I would like to continue as a member of the American Numismatic Society, at this time I do not have much hope that things will change so I suppose you will need to drop me from your list of members.

Being so far away from the museum and there being no other members in this territory, it is really of very little benefit to me to maintain a membership, as much as I would like to continue.

Yours truly,

R. E. Fisher.
